

Dear Preschool Parents,

On behalf of the preschool team at St. Helen, welcome to our program! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As a proactive team we will prepare students to be confident in their skills for Kindergarten.

Our Step up to Quality program, designated with a Gold rating, strives to target math, science, social studies, language arts, religion (faith formation), social and emotional standards while turning the learning into a memorable experience in a faith-filled environment. Our highly qualified staff has daily communications, utilizes Class Dojo, weekly newsletters, and enrichment projects sent home. Staff also conferences with families twice a school year to discuss goals and student performance. Lessons are built around each child's individual learning needs.

#### Registration Required Forms & Documents:

- Registration fee: \$150 per family
- Completed Registration Packet
- Birth Certificate
- Immunization/Shot Record
- Baptismal Certificate
- Custody Papers (If applicable)
- Child Medical Form

#### Preschool Hours and Late Pick-Up Procedures:

Our preschool hours are 8:00-2:50 pm, Monday through Friday for the five day full day program. The half day program starts at 8:00 am and pick-up is 11am. Your child may be dropped off as early as 7:35 am. If your child arrives later than 8:00 am, they are considered late, and must be taken to the main office to be signed in. We ask that you bring your child on time, as tardiness has a trickle effect on the class and is a disruption.

#### Contact Information:

It is critical that we have current information on your child's emergency form including accurate names, phone numbers, and addresses. If there are any changes in your contact information or pick up people, please notify us immediately. In addition, it is always helpful to know if there are any changes in your routine at home or in your child's life that may affect. Please communicate to us through Class Dojo or email. We ask that you connect to Class Dojo immediately. This provides a window into our class, teacher/school information, and specific updates on your child.

#### **Preschool Orientation:**

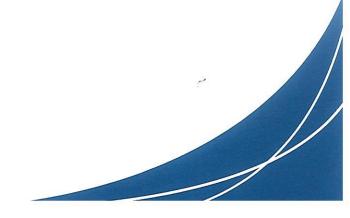

Prior to the start of next school year, we will hold a Preschool Orientation for all preschool parents. It will cover important information and procedures for the upcoming school year. Parents are strongly encouraged to attend. We will notify all preschool families about the details of this event once we have them.

We feel privileged to be a part of this school family and thank you for your support.

Sincerely,

The Preschool Staff

#### Appendix A: Language Usage Survey

Parents and Guardians: Please only complete this page of the survey. The back of this form will be completed by the school. A completed language usage survey is required for all students upon enrollment in Ohio schools. This information will tell school staff if they need to check your child's proficiency in English. Answers to these questions ensure your child receives the education services to succeed in school. The information is not used to identify immigration status.

Student Name: (First Name and Last Name)		Student Date of Birth: (mm/dd/yyyy)
Communication Preferences Indicate your language preference so we can provide an interpreter or translated documents at no cost when you need them. All parents have the right to information about their child's education in a language they understand.	In what language(s) would your f	amily prefer to communicate with the school?

#### PERMISSION TO SCREEN

Goodwill Easter Seals Miami Valley (GESMV) Child Screening Team has permission to perform an onsite developmental screening on method and/or review my child's parent-completed Ages and Stages Questionnaires (ASQ). My child's early childhood program has permission to submit a screening for my child into the secure GESMV ASQ Online Enterprise System for review and follow-up on screening results. GESMV may release screening results and exchange information with my child's early childhood program. In the event of suspected delay or concern. GESMV has permission to make a referral and exchange information with Help Me Grow (applicable children 0-36 months only), your child's home school district (children ages 3-5 years), and/or your child's physician (if physician containformation is listed below). Intervention services are voluntary programs and parents may accept or refuse participation once a Help Me Grow or school district professional contacts the family. If concerns are present on your child's screening. GESMV will attempt to contain you by phone or email to discuss these assessment options and gather additional developmental information. At times, GESMV may rungeneral data reports to share with community stakeholders to determine the effectiveness and scope of the online screening partnership. This shared data will NOT include identifiable child information including names or family contact information.
